

Laser Vision Correction Payment Plan Terms and Conditions

Dr Ben LaHood is a consulting ophthalmologist and eye surgeon at Adelaide Eye & Laser Centre, which has a priority affiliation with ParkView Day Surgery. His laser vision correction patients that participate in the Laser Vision Payment Plan will be managed surgically at ParkView Day Surgery (PVDS).

1. Agreements between PVDS and the applicant are activated once the planned procedure has been performed.
2. Monthly payments are via direct debit from the patients nominated account.
3. The first monthly payment is due one (1) calendar month from the date of surgery.
4. Payments are taken on a monthly basis.
5. Reminders regarding upcoming payments will be provided to the nominated email within five (5) days before the due date.
6. It is the responsibility of the applicant to ensure that sufficient funds are available in the nominated account on the due date.
7. Each reminder notice will provide an early pay out figure at a discount to the remaining balance.
8. Early pay outs are processed by a single direct debit from the nominated account.
9. Early payouts must be completed before the due date of the next payment.
10. Part payment of monthly instalments or pay out figures are not possible.
11. PVDS reserves the right to decline access to the payment plan at its complete discretion.
12. The PVDS payment plan cannot be used with any other offer.
13. A dishonour fee may be levied by PVDS at its discretion.
14. Direct debit arrangements are between the applicant and Westpac. PVDS does not retain the applicants account details.
